

HIGHPOINTE HOMEOWNERS ASSOCIATION
ARCHITECTURAL CHANGE REQUEST

SOLAR PANELS

(Form #8)

This form must be used to request approval for any proposed installation of or change to Solar Panels. Refer to the Highpoint Rules and Regulations for a complete list of all architectural or other changes which requiring PRIOR approval. Failure to request approval in advance may be subject to a fine. Failure to use this form to request approval will delay review and possible approval of your request. You may be asked to provide additional information. You may not start your project until you have received written (USPS or E-mail) approval. Work must commence within three (3) months of the date of approval or resubmission will be required. Work must be completed within six (6) months of approval, unless otherwise approved. This is a summary form, the requirements set forth in the Highpoint HOA Rules and Regulations shall prevail in the event of conflict and shall be determinate in any architectural request application and approval process.
